

Company: **IPOPEMA Securities S.A.**

Current Report No.: **3/2013**

Date: **February 19th 2013**

Subject: **Admission and introduction of Series C shares to stock-exchange trading**

The Management Board of IPOPEMA Securities S.A. ("the Company") hereby reports that today the Management Board of the Warsaw Stock Exchange ("the WSE") adopted a resolution to introduce 174,107 Series C ordinary bearer shares to stock-exchange trading as of March 21st 2013.

The shares will be introduced to trading following their assimilation with the Company shares already traded on the WSE, subject to their registration by the National Depository for Securities ("the Polish NDS") under code PLIPOP00011 (the code assigned to the existing Company shares).

The Series C shares were issued as registered shares, therefore their admission to stock-exchange trading is conditional upon their conversion into bearer form, which in accordance with the Company's Articles of Association will take place upon their registration by the Polish NDS.

The Series C shares were issued and acquired as part of the conditional share capital, as reported by the Company in Current Report No. 2/2013 of February 13th 2013.
