Shareholder's right to request that certain matters be placed on the agenda of the General Meeting

1. A shareholder or shareholders representing at least 1/20 of the Company's share capital may request that certain matters be placed on the agenda of the Annual General Meeting. Any such request should be submitted to the Company's Management Board no later than 21 days prior to the scheduled date of the Annual General Meeting and should contain grounds or a draft

resolution concerning the proposed agenda item. Such request may be submitted in writing to the Company's registered address (ul. Próźna 9, 00-107 Warsaw, Poland), or in electronic form to the Company's email address: ipopema@ipopema.pl.

2. The shareholder(s) referred to in item 1 above should prove that as at the date of submitting such request they hold the required number of shares, by attaching to the request a deposit certificate or another certificate issued by the entity keeping their securities account (if the request is sent via electronic channels, a scanned copy of these documents should be attached). If such request is submitted by a shareholder or shareholders which are legal persons or organisations referred to in Art. 33¹ of the Polish Civil Code, they should attach a copy of their entry in the relevant register (if the request is sent via electronic channels, a scanned copy of their entry should be attached). Any documents submitted to the Company, including foreign official documents sent via electronic channels, such as certified copies of register entries, should be translated into Polish by a sworn translator. Apostilles, confirming the authenticity of foreign official documents, may also be sent via electronic channels. In the event that such request is submitted by electronic means, all the relevant documents should be sent in the PDF format.
3. The Company may take relevant steps to establish the identity of a shareholder and the shareholder's proxy with a view to verifying their rights exercised by means of electronic communication.

Shareholder's right to propose draft resolutions

1. A shareholder or shareholders representing at least 1/20 of the Company's share capital may, before the date of the Annual General Meeting, submit to the Company draft resolutions concerning matters which have been or are to be placed on the agenda of the Annual General Meeting. Such draft resolutions may be submitted in writing to the Company's registered address (ul. Próźna 9, 00-107 Warsaw, Poland), or in electronic form (to the Company's email address given in item 1 above).
As described in items 2 and 3 above, such shareholder or shareholders should prove that as at the date of submitting their request they hold a relevant number of shares, and should attach the required documents identifying the requesting party or parties.
2. Each shareholder entitled to participate in the Annual General Meeting may submit draft resolutions concerning matters included on the agenda during the Annual General Meeting.

Exercise of voting rights through a proxy

1. A shareholder may participate in the Annual General Meeting and exercise voting rights personally or by proxy. A power of proxy to participate in the Annual General Meeting and exercise voting rights must be granted in writing or in electronic form. A power of proxy in electronic form does not require a secure electronic signature verifiable by means of a valid qualified certificate. A shareholder which is not a natural person may participate in the Annual General Meeting and exercise voting rights through a person authorised to make declarations of will binding on that shareholder, or through a proxy.
2. Shareholders may notify the Company of granting or revoking a power of proxy to participate in the Annual General Meeting in electronic form, as well as submit power of proxy documents or documents revoking a power of proxy electronically, by sending an email to ipopema@ipopema.pl.

Along with the notification of granting power of proxy in electronic form, the shareholder must send in the text of the power of proxy document. Where the power of proxy is granted by a legal person or an organisation referred to in Art. 33¹ of the Civil Code, the shareholder as the principal should additionally send in a scanned copy of its entry in the relevant register or of another document confirming the right of the natural person(s) to represent the given shareholder. Where the proxy is a legal person or an organisation referred to in Art. 33¹ of the Civil Code, the shareholder as the principal should additionally send in a scanned copy the proxy's entry in the relevant register or of another document confirming the right of the natural person(s) to represent the given proxy. Foreign official documents sent via electronic channels, such as certified copies of register entries, should be translated into Polish by a sworn translator. Apostilles, confirming the authenticity of foreign official documents, may be also sent via electronic channels. Together with a notification of granting a power of proxy, the shareholder must send in an email address through which the Company will be able to communicate with the shareholder and the proxy. All documents listed in this paragraph must be sent to the Company in electronic form, but these provisions do not release the proxy from the obligation to present the documents based on which

his/her/its identity can be established during the preparation of a list of eligible participants of the Annual General Meeting.

The above rules concerning identification of the principal will apply accordingly when notifying the Company of revoking a power of proxy.

Any notification of granting or revoking a power of proxy made without compliance with the requirements set out above will have no legal effect vis-à-vis the Company.

The Company may take relevant steps to establish the identity of a shareholder and the shareholder's proxy with a view to verifying their rights exercised by means of electronic communication.

Shareholders whose shares are registered in an omnibus account may appoint separate proxies to exercise their voting rights attached to shares registered in that account.

3. Where a power of proxy is granted in writing, the principal is obliged to leave the original of the power of proxy document with the Company. In addition, during the preparation of an attendance list, proxies should present their identity cards, passports or other reliable documents based on which their identity can be established. The right to represent a shareholder which is not a natural person should be evidenced by an up-to-date official copy of its entry in the relevant register (of which the original or a copy certified by a notary public, attorney-at-law or legal counsel should be submitted) and a series of powers of proxy.
4. Proxy voting forms, to be filled in with the data stipulated in Art. 402³ of the Commercial Companies Code, are available at www.ipopemasecurities.pl from the Investor Relations/General Meeting section.
5. The Company reserves that if the Shareholder and the proxy decide to use a proxy voting form, the consistency of the vote with the instructions included therein shall not be checked.
