For the Shareholders of IPOPEMA Securities Spółka Akcyjna

Report on the Annual Consolidated Financial Statements

Opinion

We have audited the annual consolidated financial statements of the Group (the Group), in which the parent entity is IPOPEMA Securities (the Parent) with its registered office in Warsaw, 9 Próżna Street, which comprise the consolidated statement of financial position as of December 31, 2022, consolidated statement of comprehensive income, consolidated statement of changes in equity, consolidated statement of cash flows for the financial year then ended, and notes, comprising a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying annual consolidated financial statements:

- give a true and fair view of the financial position of the Group as of December 31, 2022 and of its financial performance and of its cash flows for the financial year then ended in accordance with the International Accounting Standards, International Financial Reporting Standards and related interpretations published in the form of European Commission regulations and adopted accounting principles (policy),
- comply with the laws affecting the content and form of the annual consolidated financial statements and the provisions of the Parent's articles of association.

The audit opinion is consistent with the additional report to the Audit Committee submitted on the same day as this audit report.

Basis for Opinion

We conducted our audit in accordance with

- the Act of May 11, 2017 on statutory auditors, audit firms, and public supervision (uniform text: Journal of Laws of 2022, item 1302, as amended) (the Act on Statutory Auditors),
- International Standards on Auditing adopted as National Standards on Auditing (NSA) by the National Council of Statutory Auditors' resolution No. 3430/52a/2019 of March 21, 2019, as amended and
- Regulation (EU) No. 537/2014 of the European Parliament and of the Council of April, 16 2014 on specific requirements regarding statutory audit of public-interest entities and repealing Commission Decision 2005/909/EC (OJ L 158, 27.5.2014, p. 77 and OJ L 170, 11.6.2014, p. 66) (the Regulation 537/2014).

Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Annual Consolidated Financial Statements* section of our report.

We are independent of the entities comprising the Group in accordance with the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants* (including *International Independence Standards*) (IESBA Code) adopted by the National Council of Statutory Auditors' resolution No. 3431/52a/2019 of March 25, 2019 together with the ethical requirements that are relevant to our audit of the financial statements in Poland. In particular, in conducting the audit the Key Audit Partner and the Audit Firm remained independent of the entities comprising the Group in accordance with the provisions of the Act on Statutory Auditors and the Regulation 537/2014. We have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the annual consolidated financial statements of the current period. They include the most significant assessed risks of material misstatement, including assessed risk of material misstatement due to fraud. These matters were addressed in the context of the audit of the annual consolidated financial statements as a whole, and in forming the auditor's opinion thereon. Below, we provided a summary of our response to those risks and where relevant, key observations arising with those risks. We do not provide a separate opinion on these matters.

RISK OF INCORRECT RECOGNITION OF REVENUE FROM SALES

Description

Sales revenues are a significant area of the financial statements. There is a risk of misstatement of financial reporting by overstating revenue (for example, by recognizing revenue prematurely or reporting fictitious revenue) or underrevenue (for example, by improperly deferring revenue).

The Group included a disclosure regarding sales revenue in Note 15.1.

Auditor's response

The audit procedures carried out in this area included, among others:

- understanding the Group's revenue recognition process,
- assessment of the internal control environment in the revenue recognition process,
- reconciliation of commission income from stock exchange transactions for brokerage reports,
- for a selected sample, obtaining a statement of transactions and agreeing the amount of commission to the general conditions contained in the table of fees or individual conditions specified in the contracts,

- checking the compliance of the applicable remuneration rates with the contracts,
- on a selected sample of source documents, an assessment of the correctness of assigning costs to a specific project and the relevant process,
- on a selected sample of revenues from the provision of consulting services, analyzing the revenues accrued in the reporting period in relation to the provisions of the contract.

Responsibilities of Management Board and Supervisory Board of the Parent for the Annual Consolidated Financial Statements

The Management Board of the Parent is responsible for the preparation of these annual consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the International Accounting Standards, International Financial Reporting Standards and related interpretations published in the form of European Commission regulations, adopted accounting principles (policy), legal regulations, and the Parent's articles of association. The Management Board of the Parent is also responsible for such internal control as the Management Board determines is necessary to enable the preparation of annual consolidated financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the annual consolidated financial statements, the Management Board of the Parent is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Board of the Parent either intends to liquidate the Group or to cease the operations, or has no realistic alternative but to do so.

In accordance with the Accounting Act of September 29, 1994 (uniform text: Journal of Laws of 2023, item 120) (the Accounting Act), the Management Board and the Supervisory Board of the Parent are obliged to assure compliance of the annual consolidated financial statements with the requirements of the Accounting Act. The Supervisory Board of the Parent is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual consolidated financial statements.

The scope of the audit does not include assurance on the future viability of the Group or on the efficiency or effectiveness with which the Management Board of the Parent has conducted or will conduct the affairs of the Group.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Board of the Parent.
- Conclude on the appropriateness of the Management Board of the Parent's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual consolidated financial statements, including the disclosures, and whether the annual consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the annual consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Supervisory Board of the Parent regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Supervisory Board of the Parent with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From matters communicated with the Supervisory Board of the Parent, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Information including the Report on the Group's operations

The other information comprises the Report on the Group's operations for the financial year ended December 31, 2022, the Corporate Governance Statement which is a separate part of the Report on the Group's operations and the Annual Report for the year ended December 31, 2022 (but does not include the consolidated financial statements and our auditor's report thereon).

Responsibilities of the Management Board and the Supervisory Board of the Parent

The Management Board of the Parent is responsible for the preparation of the other information in accordance with the Accounting Act and other legal regulations. The Management Board and the Supervisory Board of the Parent are obliged to assure compliance of the Report on the Group's operations with the requirements of the Accounting Act.

Responsibilities of the Auditor

Our opinion on the annual consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon that results from NSAs. In connection with our audit of the annual consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether it is materially inconsistent with the annual consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. Additionally, according to the Act on Statutory Auditors, our responsibility is to express an opinion on whether the Report on the Group's operations has been prepared in accordance with legal regulations and whether information included therein is consistent with the accompanying annual consolidated financial statements. Moreover, we are obliged to and to express an opinion on whether the Parent included the required information in the Corporate Governance Statement. We obtained the Report on the Group's prior to the date of this auditor's report, while the remaining parts of the Annual Report will be delivered later. If we conclude that there is a material misstatement in the Annual Report, we are required to communicate the matter to the Supervisory Board of the Parent.

Opinion on the Report on the Group's operations

In our opinion, the Report on the Group's operations has been prepared in accordance with the applicable legal regulations, i.e. Article 55 clause 2a of the Accounting Act and Paragraph 71 of the Regulation of the Minister of Finance of March 29, 2018 on current and periodic information disclosed by issuers of securities and the conditions for recognition as equivalent of the information required by law of a non-member state (Journal of Laws of 2018, item 757) (the Regulation on current and periodic information), and information included therein is consistent with the accompanying annual consolidated financial statements. Moreover, taking into account our knowledge of the Group and its environment obtained during the audit of the annual consolidated financial statements, we state that we have not identified any material misstatements in the Report on the Group's operations.

Opinion on the Corporate Governance Statement

In our opinion, the Corporate Governance Statement includes the information required by Paragraph 70 clause 6 point 5 of the Regulation on current and periodic information. The information specified in Paragraph 70 clause 6 point 5 letters c-f, h and i of the Regulation on current and periodic information included in the Corporate Governance Statement complies with applicable regulations and is consistent with the information included in the annual consolidated financial statements.

Report on Other Legal and Regulatory Requirements

Opinion on the compliance of marking up of the consolidated financial statements prepared in a single electronic reporting format with the requirements of the regulation on technical standards on the specification of a single electronic reporting format

In connection with the audit of the annual consolidated financial statements, we have been engaged to perform a reasonable assurance engagement to express an opinion on whether the annual consolidated financial statements of the Group as at and for the year ended December 31, 2022, prepared in a single electronic reporting format contained in the file named *ipe_2022-12-31_pl* (consolidated financial statements in the ESEF format) have been marked up in accordance with the requirements set out in the Commission Delegated Regulation (EU) 2019/815 of December 17, 2018 supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a single electronic reporting format (ESEF Regulation).

Identification of the criteria and description of the subject matter of the engagement

The consolidated financial statements in the ESEF format were prepared by the Management Board of the Parent in order to meet the marking requirements and technical requirements for the specification of a single electronic reporting format, as set out in the ESEF Regulation.

The subject matter of our assurance engagement is to verify the compliance of marking up of the consolidated financial statements in the ESEF format with the requirements of the ESEF Regulation, and we believe that the requirements set out in the regulations form appropriate criteria for expressing our opinion.

Responsibility of the Parent's Management Board and Supervisory Board

The preparation of consolidated financial statements in the ESEF format in accordance with the marking requirements and technical requirements for the specification of a single electronic reporting format, as set out in the ESEF Regulation, is the responsibility of the Parent's Management Board. The responsibility includes the selection and application of appropriate XBRL markups with the use of the taxonomy defined in those regulations.

The responsibility of the Parent's Management Board also includes the design, implementation and maintenance of an internal control system to ensure the preparation of consolidated financial statements in the ESEF format free from material non-conformities with the requirements of the ESEF Regulation.

Members of the Parent's Supervisory Board are responsible for overseeing the financial reporting process, including the preparation of financial statements in accordance with the format resulting from applicable laws.

Auditor's Responsibility

Our objective was to express an opinion, on the basis of a reasonable assurance engagement, whether the consolidated financial statements in the ESEF format have been marked up in accordance with the requirements of the ESEF Regulation.

We performed the engagement in accordance with National Standard for Assurance Engagements other than Audits or Reviews 3001PL *Audit of Financial Statements Prepared in a Single Electronic Reporting Format*, which was adopted by resolution of the National Council of Statutory Auditors No. 1975/32a/2021 of December 17, 2021 (NSAE 3001PL) and, where relevant, in accordance with National Standard for Assurance Engagements other than Audits or Reviews 3000 (R) in the wording of International Standard on Assurance Engagements (ISAE) 3000 (revised) *Assurance Engagements other than Audits or Reviews of Historical Financial Information*, which was adopted by resolution of the National Council of Statutory Auditors No. 3436/52e/2019 of 8 April 8, 2019, as amended (NSAE 3000 (R)).

The standard imposes on a statutory auditor an obligation to plan and perform procedures in such a manner as to obtain reasonable assurance that consolidated financial statements in the ESEF format have been prepared in accordance with the specified criteria. Reasonable assurance means a high level of assurance, but it does not guarantee that an engagement performed in accordance with NSAE 3001PL and, where relevant, in accordance with NSAE 3000 (R), would always detect an existing material misstatement.

The selection of the procedure depends on the statutory auditor's judgement, including their estimation of the risks of material misstatement, whether due to fraud or error. When assessing the risk, the statutory auditor considers internal control associated with the preparation of consolidated financial statements in the ESEF format in order to plan the relevant procedures which are to provide the auditor with sufficient and appropriate evidence. The assessment of the functioning of the internal control system was not conducted for the purpose of expressing an opinion on the effectiveness of its functioning.

Summary of the work performed

The procedures planned and performed by us included, among others:

- obtaining an understanding of the process of preparation of consolidated financial statements in the ESEF format, covering the process of the Parent's Management Board's selection and application of XBRL markups and ensuring compliance with the ESEF Regulation, including understanding of the internal control system mechanisms related to the process;

- reconciliation of the marked up information contained in the consolidated financial statements in the ESEF format with the audited annual consolidated financial statements;
- assessment of compliance with technical standards on the specification of a single electronic reporting format, including the application of the XHTML format, using specialist IT tools;
- assessment of the completeness of marking of information in the consolidated financial statements in the ESEF format with XBRL markups;
- assessment whether the XBRL markups from the taxonomy defined in the ESEF Regulation have been properly applied and whether extension taxonomies have been used in situations where the core taxonomy specified in the ESEF Regulation has not identified the relevant elements;
- assessment whether the applied extension taxonomies have been properly anchored in the core taxonomy defined in the ESEF Regulation.

We believe that the evidence we have obtained provides sufficient and appropriate basis for us to express an opinion on the compliance of marking up with the requirements of ESEF Regulation.

Ethical requirements, including independence

In performing the engagement, the statutory auditor and the audit firm complied with the independence requirements and other ethical requirements set out in the IESBA Code. The IESBA Code is based on fundamental principles relating to integrity, objectivity, professional competencies and due diligence, confidentiality and professional conduct. We also complied with other independence and ethics requirements that apply to this assurance engagement in Poland.

Quality management requirements

The audit firm applies national quality control standards in the wording adopted by resolution of the Council of the Polish Audit Oversight Agency No 38/I/2022 of November 15, 2022, which requires the audit firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Opinion on the compliance with the requirements of ESEF Regulation

The statutory auditor's opinion is based on the matters described above, therefore, the opinion should be read in consideration of these matters.

In our opinion, the consolidated financial statements in the ESEF format have been marked up, in all material respects, in accordance with the requirements of the ESEF Regulation.

Statement on non-audit services

To the best of our knowledge and belief we confirm that we have not provided non-audit services prohibited in accordance with the provisions of Article 136 of the Act on Statutory Auditors and Article 5 clause 1 of the Regulation 537/2014.

The key statutory auditor and the audit firm did not provide any services to the entities belonging to the Group other than:

- Assessment of the remuneration report for 2022,
- Review of the custody of client assets for 2022,
- Review of financial statements for the period ended June 30, 2022.

Appointment of the Audit Firm

We were appointed to audit the annual consolidated financial statements of the Group for the years 2022 and 2023 by the Parent's Supervisory Board's resolution of 22nd June, 2022. We have been auditors of the Group since the financial year ended 31 December, 2018, i.e. for five consecutive financial years. We were appointed for two-year periods: 2018 and 2019; 2020 and 2021; 2022 and 2023.
